

Week 2 Monday Missive

Hello,

Congratulations to Team Strybos and FAB4 for being the first to complete Week 1 in the professional and amateur tiers, respectively! Team Strybos blazed through Saturday's adventure in just under 62 minutes—wow!

You can expect this week's adventure to follow a similar format to April 12. Keep in mind, Weeks 1 through 4 are siloed—so any widget collected in Week 1 won't be used in Week 2, and vice versa. Don't try to force a square peg into a round hole! The only item that carries over from week to week is Abe's memoir. Of course, you'll need all the weekly gathered items on the final day of the hunt, May 10.

If this is your first time joining the hunt and you're feeling stuck, don't worry—you're not alone! I recommend exploring the "[Secrets Revealed](#)" pages from past treasure hunts. They offer insight into how I designed the challenges and might just give you the nudge you need to crack this year's puzzles. You can also turn to the [Uncharted Lancaster Treasure Hunt Community Facebook group](#), where fellow adventurers are ready to lend a hand. For those who are stuck, there's good news. Even if you didn't complete Week 1, you can still dive into Week 2 starting this Saturday.

Still puzzling over the Side Quests? [Help is available!](#) Take a peek at the dedicated help page to get back on track. However, starting now, each completed Side Quest will be worth 1,000 fewer points.

Save the date! JBT is hosting a special celebration for all treasure hunters on Saturday, May 10, from 1:00 to 4:00 PM at their centrally located Lititz branch (670 Furnace Hills Pike). Enjoy light appetizers and beverages as we mark the end of the hunt together! It's the perfect chance to meet the winners, connect with fellow adventurers, swap your wildest treasure-hunting stories, and laugh about the rabbit holes we all fell into. *More details coming soon!*

Heads up! Unlike last week, there is no Monday Missive challenge. This time, you'll collect your widget mid-adventure, so be on the lookout!

Good luck to you and your team—*more adventure awaits!*
